## UNIVERSITY OF ASIA AND THE PACIFIC

### OFFICE OF THE REGISTRAR

### SUMMER ENROLLMENT AGREEMENT

I, \_\_\_\_\_, a \_\_\_\_\_  
(Student No. and Printed Name) (Year/ Course)

student at the University of Asia and the Pacific was given a warning during the First Semester, SY 2009-2010 regarding the required conditions for retention in the University.

#### University Retention Policy

1. **Freshmen** should attain a weighted average (WA) of 2.75 or better in all subjects taken during their First Year.
2. **Sophomores** should attain a WA of 2.50 or better in all subjects taken during their Second Year, including the required subjects taken for the first time during the summer of the previous academic year.
3. **Juniors** are separated from the University if they incur grades below 3.0 in 30% or more of the total academic units they enrolled in during their Third Year, including the required subjects taken for the first time during the summer of the previous academic year.

Please note: For Juniors, the units for subjects in which an Incomplete (INC) grade is received are included in the computation of the total units enrolled (denominator) but not in the total units failed (numerator).

I would like to enroll in Summer of SY 2009-2010 in some subjects. I understand that even if I will be allowed to do so, I will not be eligible to enroll next School Year (2010-2011) if I do not meet the required conditions for retention as indicated in *The UA&P Student Handbook* and explained in the *UA&P Website* ([http://www.uap.edu.ph/online\\_services/grades\\_online](http://www.uap.edu.ph/online_services/grades_online))
